

ND 301

# Implementing the LEED for Neighborhood Development Rating System

## WHEN & WHERE

**September 16, 2011**  
**8:30-5:00**

**EPA Region 8**  
Bison Room 2nd Floor  
1595 Wynkoop Street  
Denver, CO 80202

## HOSTED BY

# COLORADO

**In today's business, LEED is the language of green.** Learn how to apply the LEED for Neighborhood Development rating system by walking through the phases and key decision points of a typical project. Engage with experienced LEED® Faculty™ and other participants to work hands-on with LEED implementation strategies and rating system tools.

### OBJECTIVES

- ✓ Recognize key decisions and best practices for integrating LEED-ND into the development process
- ✓ Apply the LEED-ND rating system to real-world projects
- ✓ Understand the synergies and relationships between LEED-ND credits
- ✓ Navigate the complexities within the LEED-ND rating system

### FACULTY

**Eliot Allen**  
Criterion Planners
