### Chapter Education Sub-Committee Roles & Tasks

#### Role of new CO Chapter Education Sub-Committees:

##### Phase I

- Better serve diversity of USGBC CO Chapter membership
- Research educational needs of target audience and assess how to best meet those needs
- Collaborate/coordinate with both CO Chapter Education Committee and Branch Education Committees. Support Chapter mission and tie in with Branch activities.

##### Phase II

- Create new educational opportunities for target audience beyond current offerings
- Expand membership through new educational program offerings in underserved audiences
- Be a resource for Branches and Chapter by identifying local experts related to target audience, possible speakers, and other products/programming that may be used to educate target audience

#### Tasks for 2009/2010:

##### Phase I

- Establish committee Chair and volunteers by end of November 2009
- Set up regular monthly meeting dates/times and begin meeting starting January 2010

##### Phase II

- Research local experts, possible speakers and other products/programs related to target audience
- Create and implement minimum of one new statewide educational program for target audience - either lasting multiple days, or reoccurring monthly/quarterly event (example: breakfast series, multiple day conference)Note: may need to host event in several locations to provide coverage across state - coordinate with Branch Education Committees.
- Establish budget and staff support needs - include proposed funds generated from events, fundraising and sponsors
