

USGBC Colorado Chapter LEED Professional Accreditation Study Guide and Practice Exam

Table of Contents

Introduction.....	1
Part 1: The LEED Professional Accreditation Exam.....	2
1. Professional Accreditation – One Credential, Multiple Tracks	2
2. Eligibility and Preparation	2
3. Exam Content, Structure, and Format.....	5
4. Exam Procedure, Registration, and Scheduling	8
Part 2: The USGBC, the LEED Rating System, and How the LEED Rating System Works.....	10
5. About the USGBC and the LEED Rating System Family of Products	10
6. LEED-NC version 2.2	12
7. LEED-NC Rating System Credits, Prerequisites, and Levels of Certification.....	13
8. LEED Registration and Certification	14
9. USGBC LEED Resources	16
10. Credit Interpretation Rulings.....	18
11. Documentation and Submittals	19
12. Documentation for LEED Credit Audits and Project Support	19
13. Innovation In Design Credits	21
14. Exceptional Calculation Methods.....	22
15. LEED Integration with Design and Construction Process	23
16. LEED is a Tool and Comes with Challenges that Practitioners Can Overcome	26
Part 3: Integrated Sustainable Design and Green Building Practices.....	29
17. Sustainable Design and Green Building Resources	29
18. Energy, Environmental, Health, and Economic Impacts of Buildings	29
19. Green Building Benefits and the Mechanisms behind Them	30
20. Sustainable Design Synergies and the Challenges of Interconnectedness.....	33
Part 4: Study Tools and Methods.....	39
21. Methods for Studying the LEED Rating System and Reference Guide	39
22. LEED Credit Terminology, Concepts, and Referenced Standards	40
23. Acronyms and Abbreviations	51
24. Practice Exam and Answer Key.....	52
Part 5: LEED-EB Rating System for Existing Buildings.....	77
25. LEED-EB Overview	77
26. How LEED-EB Relates to and Differs from LEED-NC	77
27. LEED-EB Quiz	78
28. Answer Key for LEED-EB Quiz	84
Part 6: LEED-CI Rating System for Commercial Interiors.....	85
29. LEED-CI Overview	85
30. How LEED-CI Relates to and Differs from LEED-NC	85
31. LEED-CI Practice Quiz.....	86
32. Answer Key for LEED-CI Practice Quiz.....	91
