

#### **VISION**

Promote responsibility for Colorado's environmental legacy.

#### **MISSION**

Advance and promote responsible planning, design, construction and operation of the built environment through education, improving industry guidelines, policy advocacy, and information and resource sharing.

**The following individuals represent substantial initiatives taking place in Colorado, and their work may serve to assist other municipalities with developing green building programs:**

#### **City Green Building Resolution:**

Nancy Andrews, Resource Conservation Coordinator, City of Durango, CO

[andrewsnp@ci.durango.co.us](mailto:andrewsnp@ci.durango.co.us)

Phone: 970-375-4830; Fax: 970-375-4848

<http://www.durangogov.org>

[http://www.durangogov.org/resident/government/show\\_minutes.cfm?id=78](http://www.durangogov.org/resident/government/show_minutes.cfm?id=78)

Durango Green Building Resolution

#### **Cities targeting LEED:**

Jack Gianola, Operations Services, Facilities Project & Planning Manager, City of Fort Collins, CO

[jgianola@fcgov.com](mailto:jgianola@fcgov.com)

Phone: 970-221-6272

Jack's group is in charge of the construction for the city of Fort Collins. They have a policy to target LEED Silver for all new construction.

#### **Climatewise:**

Sandy Hicks, Natural Resources, Environmental Planner, City of Fort Collins, CO

[shicks@fcgov.com](mailto:shicks@fcgov.com)

Phone: 970-416-2526

Sandy works with the Climate Wise program [fcgov.com/climatewise](http://fcgov.com/climatewise). They have business partners that are interested in energy-efficiency, waste reduction and transportation.

#### **Green Building Checklist:**

Elizabeth Robbins, Planner I, Town of Telluride, CO,

PO Box 397, Telluride CO 81435

[erobbins@telluride-co.gov](mailto:erobbins@telluride-co.gov)

Phone: 970-7288-2165; Fax: 970-728-3078

Telluride's Green Building Checklist.

#### **Integrated Design Assistance Program:**

Gary Schroeder, Energy Services Engineer, Fort Collins Utilities

[gschroeder@fcgov.com](mailto:gschroeder@fcgov.com)

Phone: 970-221-6395

Joan Gregerson, Energy Services Engineer, Fort Collins Utilities

[jgregerson@fcgov.com](mailto:jgregerson@fcgov.com)

Phone: 970-222-0227

Fort Collins Utilities Integrated Design Assistance Program offers expertise and funding to help Fort Collins Utilities customers use integrated design for a better new building. Information and case studies available the following website:

<http://www.fcgov.com/utilities/powertosave/indesignasst.php>

**Sustainable Master Planning:**

Melissa Knott, Director of Sustainability, Forest City Stapleton, Inc.  
7351 East 29th Avenue, Denver CO 80238

[MKnott@stapletondenver.com](mailto:MKnott@stapletondenver.com)

Phone: 303-382-1800; Fax: 303-298-8338

Stapleton Redevelopment Master Plan. View the masterplan online at:  
<http://www.stapletondenver.com/sustainability/masterplan.asp>.

**Renewable Energy Mitigation:**

Stephen Kanipe, Chief Building Official, City of Aspen, CO  
130 South Galena Street, Aspen, CO 81611

[stephenk@ci.aspen.co.us](mailto:stephenk@ci.aspen.co.us)

Phone: 970-920-5449; Fax: 970-920-5439

REMP Program (Renewable Energy Mitigation Program).

**Residential Green Building Program:**

Elizabeth Vasatka, Environmental Coordinator, City of Boulder, CO

[vasatkae@ci.boulder.co.us](mailto:vasatkae@ci.boulder.co.us)

Phone: 303-441-1964; Fax: 303-441-4070

Green Points Residential Green Building Program.

**Resource Efficiency:**

Stephen Kanipe, Chief Building Official, City of Aspen, CO  
130 South Galena Street, Aspen, CO 81611

[stephenk@ci.aspen.co.us](mailto:stephenk@ci.aspen.co.us)

Phone: 970-920-5449; Fax: 970-920-5439

CORE program (Community Office for Resource Efficiency).
